HAND PAINTED TILES

Havana

COLLECTION BY TILE GUILD INC.

A vibrant street scene in Havana, Cuba. The image shows a row of colorful buildings, including a prominent yellow one with arched windows and balconies, and a light blue one with arched windows. Laundry is hanging on a balcony of the yellow building. In the foreground, there are classic cars, including a blue one and a pink one. People are walking on the street. The text is overlaid on the image.

HAVANA IS ONE OF THE GREAT CITIES OF THE
WORLD, SUBLIMELY TAWDRY YET STUBBORNLY
GRACEFUL, LIKE TARNISHED CHROME - A CITY,
AS A YOUNG WINSTON CHURCHILL ONCE WROTE,
WHERE 'ANYTHING MIGHT HAPPEN.'

JM
