TILE GUILD INC | LORENZO

The name Lorenzo is of Italian and Spanish origin.

It derives from the Latin name Laurentius, meaning “from Laurentum”, an ancient Roman city in Italy.

By extension, the name Lorenzo is linked to the laurel tree, which in ancient times symbolized honor and victory. As a result, Lorenzo is often understood to mean ‘crowned with laurel’ or ‘honored.’

A refined, contemporary collection composed of coordinating stripe, checkerboard, and corner rhombus patterns. Subtle retro references lend versatility, allowing the designs to complement both country-inspired interiors and modern kitchen environments. Colorways in blues, ochres, greens, and terra cottas are available and may be custom-mixed by special order.
